VIK CUP Founded in 2017.

Ashihara Karate Championship for The New Generation

Protector of the Championship:

Mr. István Kökény Director

Organizer/professional supervisor:

Sensei Attila Hartyányi 4. Dan, President of the Association

The purpose of the championship – **which powered by the VIK high school** - is to open the door for the members of the next generation in order they will be able to get in touch with the combat sports through the way of the Karate.

Support to win the renown of the VIK high school via the competitors, supporters and also through the different attendance on social sites or public media.

The organizers of the competition set the main purpose to show how could the combats sports support the fight against the drugs, alcohols and smoking.

Also a good opportunity to deepen the friendship between the sport mates inside the association and as well as within the high school community.

We will classify the dojos of the Hungarian Ashihara Karate Association in the light of the achieved competition results.

We will give opportunity for the beginner and advanced children, cadet and junior competitors to gain new experiences.

The VIK CUP will be a preparation event for the upcoming international new generation championship namely "KUDO CUP" what organized in Netherlands.

Remuneration: medal, certificate, cup.

The final winner team will win the VIK challenge cup.

Good luck for the all preparation!

István Kökény
Director
